Jim Hahnenberg is OK with postponing his visit until the week of 1/17-21. However, he does need to re-submit his travel paperwork, make new flight reservations and hotel reservations, so it would be very helpful if you could pick a new date today or tomorrow.

Hi guys

I hope everyone had a great holiday. I am just digging out from the holiday emails.

It turns out that there is a Newark zoning board meeting on 1/13 regarding a cell tower in the Ironbound. At least Victor, Joe, Arnold and Lenny will be attending that meeting so that takes a big chunk out of our membership. I would propose moving the meeting to sometime the following week and can send out a meetingwizard to see what night might work. Let me know what you think

thanks  
Doug
